Dogs has been one of my passions for my whole life.  
Started with Staffies in the family and later as my own breed.  
Bred 3 JRT litters and also owned a Smooth Foxterrier and a Boston.  
Up today more than 30 years in amstaffs and more than 20 years as a breeder of this wonderful breed.  
At home also 3 Löwchens.  
President of the Staffordshire Bull Terrier club of Finland and board member of the Finnish Toy dog club.  
Still showing my own dogs some, when I find time.  
Judging dogs from group 2,3 and 9. Judged around Europe, USA and Australia.  
However this will be my first judging assignment to Belgium that I really look forward to.
